See your Summary of Coverage for the options you have chosen and the maximum benefits.

Benefit Maximum

All benefit maximums are per policy year and apply to after-tax amounts.

There is no deductible or co-insurance that applies to *Wellness Care*.

There are no lifetime limits that apply to your pet.

We pay a benefit when services are provided by any veterinarian licensed in Canada (or the United States when you and your pet are travelling there).

Subject to these terms and conditions, we cover the following expenses while your policy is in effect:

1. Annual veterinary exam

Health exam performed by a licensed veterinarian

2. Vaccinations

Recommended vaccines administered by or under the supervision of your veterinarian.

3. Annual wellness blood profile

Diagnostic blood tests looking for early evidence of a disease process.

4. Flea treatment and prevention

Veterinary care to treat an existing flea infestation, as well as the dispensing of preventive medication against future infestation.

5. Heartworm prevention (dogs only)

Coverage for the dispensing of heartworm preventive medication by a licensed veterinarian.

6. Heartworm test

In those provinces where your veterinarian feels that a blood test to determine the status of the heartworm parasite in your dog is appropriate medical care, this benefit covers the cost of the diagnostic test and the blood collection fee.

7. Faecal test

Analysis of your pet's stool to determine if internal parasites exist.

8. Deworming

Routine treatment to remove internal parasites, if provided by a licensed veterinarian.

9. Urinalysis including collection

Taking urine samples from your pet and the subsequent detailed analysis of those samples.

10. Nail trim

Trimming of your pet's nails when done by a veterinary hospital team member.

11. Spaying or neutering

Services must be performed by a licensed veterinarian.

12. Microchip option

An ISO microchip that a veterinarian inserts under your pet's skin. An implanted microchip can help you quickly find your pet when lost or stolen.

13. Dental care option

Coverage for the cleaning and polishing of your pet's teeth if performed by a licensed veterinarian, or a registered veterinary technician in a veterinary hospital setting. This option includes coverage for all ancillary procedures directly related to the maintenance of a healthy mouth including the safe and thorough cleaning of the teeth, pre-operative blood work, fluid therapy, anaesthetic, hospitalization, x-rays and tooth extractions deemed necessary when having a cleaning and polishing performed.

EXCLUSIONS— WHAT WE DON'T COVER

This part of your *User Guide* describes what isn't included under your coverage. If you have any questions, please call us at 1-800-364-8422 and we'll be happy to explain in more detail.

Only treatments or services performed or prescribed by a licensed veterinarian are eligible for coverage.

We do not cover, and will not make payments for any loss or claim resulting in whole or in part from, or contributed to, by any of the following:

WHEN COVERAGE TAKES EFFECT

Coverage takes effect at 12:01am on your policy effective date.

WHEN YOUR POLICY ENDS

Your policy and all coverage ends on the earliest of:

1. The date we terminate your contract in accordance with Section 5 (1) of the *Statutory Conditions*, because you have not paid your premium when due;
2. The date that your pet passes away, provided that you notify us within 60 days of such date and that you have not made any claims under your policy since the later of the policy effective date and the last renewal date;
3. The next month's payment withdrawal date following the date we receive your notice of cancellation, as long as your premium payments are up to date, you have not submitted any reimbursement requests since the later of the policy effective date and the last renewal date, and
4. The next month's premium due date following the date we receive your notice of cancellation, on the condition that the total of the premium that we have received from you since the later of the policy effective date and the last renewal date is equal to or exceeds the Minimum Retained Premium shown on your Summary of Coverage.

In the event of cancellation of this policy by you, no refund of premium is payable to you unless you have chosen to pay premium annually in advance. If you have paid premium annually in advance and the policy is terminated under sections 2 or 3 above, we will refund premium paid on a proportional basis based on the time elapsed since the later of the policy effective date and the last renewal date. We will not refund premium if the policy is terminated under section 4 above.

Renewal

You may cancel your policy with effect on any policy anniversary date. We will advise you prior the policy anniversary date of the premium payable for the next 12 months. If you do not notify us of your intention to cancel prior to or within 30 days after any policy anniversary date, your policy will be renewed for a further one year term with premium payable at the new rate.

YOUR OBLIGATIONS

Below we describe your responsibilities in paying for coverage.

The Cost

The cost for your Pets Plus Us policy is the premium. You must pay the premium that applies to your policy to keep it in effect. The amount of the premium can be determined by reviewing your *Summary of Coverage*. Premiums are due monthly on your payment date.

Your premium and/or coverage features do not change more frequently than once in any 12-month period. We will give you advance notice of any changes.

Your Share

This section explains the amount that we reimburse you, and how much you pay.

We reimburse you 100% up to the maximum claimable amount as shown on your *Summary of Coverage*.

Taxes are included in the amounts paid back to you under all Pets Plus Us coverage.

REIMBURSEMENT REQUEST

Here's where you'll find information about how to submit your reimbursement request (also known as "making a claim") and what you need to do prior to making a request.

Your reimbursement is a priority at Pets Plus Us. We will process all reimbursement requests – whether simple or complex – as quickly as possible once we have received all of the required documentation. You'll hear from us if there's any delay, such as needing to contact your veterinarian directly for more information.

Financial responsibility

You must pay your veterinarian first for all services and treatments, and then submit a reimbursement request to us. We'll reimburse you for all eligible costs based on the specified amounts and coverage outlined in this document.

Reimbursement requests

Visit our Member Centre: Portal.PetsPlusUs.com to submit your reimbursement request online.

Please note that when submitting a paper request we have special reimbursement request forms for the Additional Benefits such as boarding kennel or cattery fees, cremation or burial, holiday trip cancellation or lost pet advertising and rewards. Find our paper claim forms on the Service & Claims section of our website.

How to request reimbursement

Visit our Member Centre: Portal.PetsPlusUs.com to submit your reimbursement request online, be sure to include your itemized receipts for the pertinent costs.

Contact one of our knowledgeable representatives at: 1-800-364-8422 for information on other reimbursement request options.

Before you submit

To avoid processing delays, please ensure that the reimbursement request form includes all the following:

- Your name, correct mailing address, signature and policy number;
- The Wellness Care procedures performed by your veterinarian that are eligible for reimbursement; and
- All paid-in-full receipts (including an itemized breakdown of charges).

When reimbursement requests are eligible

We only pay reimbursement requests that we receive no later than six months from the treatment date or within 60 days of the date your policy terminates, whichever occurs first. If your claim is submitted on your behalf by your veterinary clinic you are responsible to ensure it is submitted within the eligible time frame.

Costs must be incurred while your policy is in effect.

Claims review/reassessment

If a claim is denied, You or the attending Veterinarian may request a review or reassessment. This Appeal must be received within six months from the date of claim denial notice. Additional information may be required to assist in the re-evaluation of the denied claim. This includes but is not limited to: Additional medical documentation, laboratory results, statement from your treating veterinarian.

Ineligible reimbursement charges

We are unable to reimburse you or your veterinarian for administrative tasks like completing any forms, filing fees, prescription or dispensing fees, courier fees or charges for

sending medical records, even if your veterinarian chooses to bill you for this.

Other reimbursement rules

We are unable to process reimbursement requests if your premium isn't up to date when you make the request. Reimbursement for charges that you pay in U.S. currency will be adjusted to Canadian dollars without applying any currency conversion exchange. For example, \$800 in U.S. charges will be considered as \$800 in Canadian funds. We do this because your premiums are paid with Canadian dollars and are set based on Canadian veterinary charges.

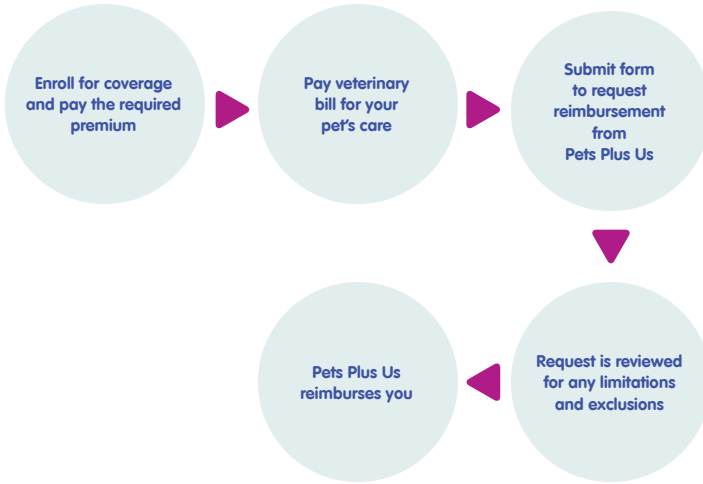

Insurance fraud hurts all pet owners!

If we discover that you've made a false or exaggerated reimbursement request, your coverage will be voided immediately.

HOW YOUR COVERAGE WORKS

The chart below gives an overview of your Pets Plus Us coverage procedures from your perspective.

LEGAL STUFF

We understand that reading legal documents isn't fun. However, it's still vitally important that you understand your coverage, rights and legal responsibilities.

Changes

Your premium and/or coverage features do not change more

frequently than once in any 12 month period. We will advise you of any changes at least 30 days in advance.

Other Coverage

The coverage outlined in this policy is second payor. That means that if there are other insurance plans, or contracts, or any plan, providing you an indemnity in respect of your pet for veterinary or therapeutic expenses, we only pay for expenses incurred in excess of what is reimbursed under such other coverage. Total benefits paid to you under all plans cannot exceed your actual expenses.

E-mail notification

You can agree to receive your policy documents and notices electronically. If so, we'll consider those items as received by you on the date they are sent to the last verified e-mail address we have on record in our system.

Governing laws

In the event of a dispute not able to be resolved between You and Us all laws will be governed by the laws of Ontario and all lawsuits will attorn to the Region of Halton.

Insurance contract

Your contract with us includes your application for insurance, this *User Guide*, your *Summary of Coverage*, as amended from time to time in accordance with the policy terms and conditions, any document attached to *User Guide* when issued, as well as any amendments agreed to or provided in writing after the policy is issued. The contract also includes any trial coverage or vouchers you may have held with us prior to our issuing of the policy.

Legal actions

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* or other legislation applicable in your province.

Rights of recovery

You must fully comply with all terms and conditions of your contract. You may only start legal action against us within one year after you have provided us with written proof of loss. You also have up to one year from the date we require written proof of loss to take legal action in order to recover a reimbursement amount under this coverage.

Recovery from Third Parties; Subrogation; Reimbursement; Setoff

We will not make payments for claims for which You are entitled to recovery under any other insurance, except for any additional sum that is payable over and above such other insurance and any contribution that We are obliged to make by law. If We make a payment to You and You are also entitled to receive a payment from a third party, Our obligation is subrogated to that right. You will help Us recover any payments that were subject to subrogation and reimburse Us to the extent You recover from a third party (up to the amount of Our payments to You). Notwithstanding anything to the contrary in this agreement and without prejudice to any other right or remedy We may have, We may set off or recoup any liability owed to You pursuant to this policy against any amount We determine, in good faith, that You are liable for to Us, including, without limitation, any overpayments We may have made to You due to subrogation, error, or otherwise.

STATUTORY CONDITIONS

You might be alarmed by what follows. It may seem to be unusual language. That is because the following conditions are Statutory Conditions and they must be included in your policy under the laws of some provinces. In other provinces, they are included as part of the insurance contract you have with us.

We recognize that your pets are very important members of your family. However, pet insurance is considered within the class of property insurance for insurance law purposes. So, “property” refers to your pet in the following statutory conditions. We blame the lawyers. “Insured” refers to you, the policyholder.

Misrepresentation

1. If a person applying for insurance falsely describes the property to the prejudice of the insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the insurer in order to enable it to judge of the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

Property of others

2. Unless otherwise specifically stated in the contract, the insurer is not liable for loss or damage to property owned by any person other than the insured, unless the interest of the insured therein is stated in the contract.

Change of interest

3. The insurer is liable for loss or damage occurring after an authorized assignment under the *Bankruptcy and Insolvency Act* (Canada) or change of title by succession, by operation of law, or by death.

Material change

4. Any change material to the risk and within the control and knowledge of the insured avoids the contract as to the part affected thereby, unless the change is promptly notified in writing to the insurer or its local agent, and the insurer when so notified may return the unearned portion, if any, of the premium paid and cancel the contract, or may notify the insured in writing that, if the insured desires the contract to continue in force, the insured must, within fifteen days of the receipt of the notice, pay to the insurer an additional premium, and in default of such payment the contract is no longer in force and the insurer shall return the unearned portion, if any, of the premium paid.

Termination

5. (1) This contract may be terminated,
 - (a) *by the insurer giving to the insured fifteen days' notice of termination by registered mail or five days' written notice of termination personally delivered;*

Note: On a day to be named by proclamation of the Lieutenant Governor, clause 5 (1) (a) of the Statutory Conditions set out in section 148 of the Act is repealed and the following substituted: (See: 2019, c. 7, Sched. 33, s. 5 (1))

 - (b) *by the insured at any time on request.*
- (2) Where this contract is terminated by the insurer,
 - (a) *the insurer shall refund the excess of premium actually paid by the insured over the proportionate premium for the expired time, but, in no event, shall the proportionate premium for the expired time be deemed to be less than any minimum retained premium specified; and*
 - (b) *the refund shall accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund shall be made as soon as practicable.*
- (3) Where this contract is terminated by the insured, the

insurer shall refund as soon as practicable the excess of premium actually paid by the insured over the short rate premium for the expired time, but in no event shall the short rate premium for the expired time be deemed to be less than any minimum retained premium specified.

- (4) The refund may be made by money, postal or express company money order or cheque payable at par.
- (5) The fifteen days mentioned in clause (1) (a) of this condition commences to run on the day following the receipt of the registered letter at the post office to which it is addressed.

Requirements After Loss

6. (1) Upon the occurrence of any loss of or damage to the insured property, the insured shall, if the loss or damage is covered by the contract, in addition to observing the requirements of conditions 9, 10 and 11,
 - (a) *forthwith give notice thereof in writing to the insurer;*
 - (b) *deliver as soon as practicable to the insurer a proof of loss verified by a statutory declaration,*
 - (i) *giving a complete inventory of the destroyed and damaged property and showing in detail quantities, costs, actual cash value and particulars of amount of loss claimed,*

Salvage

9. (1) The insured, in the event of any loss or damage to any property insured under the contract, shall take all reasonable steps to prevent further damage to such property so damaged and to prevent damage to other property insured hereunder including, if necessary, its removal to prevent damage or further damage thereto.
- (2) The insurer shall contribute proportionately towards any reasonable and proper expenses in connection with steps taken by the insured and required under subcondition (1) of this condition according to the respective interests of the parties.

Entry, control, abandonment

10. After loss or damage to insured property, the insurer has an immediate right of access and entry by accredited agents sufficient to enable them to survey and examine the property, and to make an estimate of the loss or

damage, and, after the insured has secured the property, a further right of access and entry sufficient to enable them to make appraisal or particular estimate of the loss or damage, but the insurer is not entitled to the control or possession of the insured property, and without the consent of the insurer there can be no abandonment to it of insured property.

Appraisal

11. In the event of disagreement as to the value of the property insured, the property saved or the amount of the loss, those questions shall be determined by appraisal as provided under the Insurance Act before there can be any recovery under this contract whether the right to recover on the contract is disputed or not, and independently of all other questions. There shall be no right to an appraisal until a specific demand therefor is made in writing and until after proof of loss has been delivered.

When loss payable

12. The loss is payable within sixty days after completion of the proof of loss, unless the contract provides for a shorter period

Replacement

- 13.(1) The insurer, instead of making payment, may repair, rebuild, or replace the property damaged or lost, giving written notice of its intention so to do within thirty days after receipt of the proofs of loss.
 - (2) In that event the insurer shall commence to so repair, rebuild, or replace the property within forty-five days after receipt of the proofs of loss, and shall thereafter proceed with all due diligence to the completion thereof.

15. Any written notice to the insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the insurer in the Province. Written notice may

be given to the insured named in the contract by letter personally delivered to the insured or by registered mail addressed to the insured at the insured's latest post office address as notified to the insurer. In this condition, the expression "registered" means registered in or outside Canada.
